

Summer Saturday Seminars are Coming!!

America's Boating Club, Santa Barbara Sail and Power Squadron, will be presenting a full spectrum of boating operation, safety, and knowledge seminars this summer. **Each session lasts 2 – 3 hours on Saturday mornings from 9:00AM to noon.**

Seminar 1: *Anchoring with Assurance* – Learn how to choose an anchor and anchorage, and anchor your boat safely and confidently – **July 27**

Seminar 2: *Knots and Line Handling* – The knots you need to know, line selection, hands on practice– **August 17**

Cost: \$15.00 for each Seminar

Location: All seminars meet at SB Harbor Marine Center Classroom, above the Post Office

Contact: Please register on-line at our website "sbsps.net" or contact for more information - **Rich Ciolino (805) 682-4543 or rdciolino@cox.net (it helps planning if we know how many students to expect)**

Other seminars will be coming including Diesel Engine Maintenance August 24, Weather for Boaters September 7, and Basics of Celestial Navigation September 14 – watch these posters, or contact below for details.
